~~Changes in the assignment of traveling unit members and changes in the assignment or transfer of Special Education unit members (Special Education Teachers, Resource Specialists and Speech Therapists) or Reading Resource teachers to coincide with individual school enrollment and/or needs are not considered transfers or reassignments subject to the provisions in this article.~~ The assignment for Special Education unit members is determined by the Student Services Department and is governed by a number of critical factors such as the fluctuating numbers of special education students throughout the school district and at each site, the changing nature of the delivery of special education services, the changing educational needs of individual sites and the credentials of a unit member.
