2018-19 Negotiations

The entire PVFA contract is open for negotiations and your bargaining team met in August to review the member survey and develop initial proposals to present to the district based on members' input.

To date, we've met with the district team and addressed a few minor items, as well as

- Association Rights – language changes in order to comply with the Supreme Court Janus decision that did away with agency fees
- Hours - language regarding compensation for IEPs that extend beyond the workday
- Leave Provisions – language in order to comply with the new parental leave law
- PAR Program – the district proposed language to revise the program
- Safety – PVFA proposed additional language for safety issues at school sites

We have not yet discussed compensation articles but are scheduled to meet again on October 10th, at which time we will have more to report. We are currently gathering information via your site reps regarding student supervision and possibly other issues, so please attend site meetings and respond to inquiries from your reps.

Your Bargaining Team,

Becky Gallagher, Chair; Kelly Baranick; Tim Coleman; Nic Anikouchine; Louis Harley; Kathleen Sullivan
