Please come to a PVFA General Meeting and Board Meeting:

- When:** Wednesday, September 11th at 4:30pm to 5:30pm
- Where:** Peninsula High School PAC, then the Board Meeting at Malaga Cove (6:15pm)
- Why:** Because we will not get a reasonable settlement unless we show that we want one.

PVFA t-shirts will be available until supplies run out. Please wear red. We will discuss our offer to the district and why they can easily afford it. We will also begin the organizing process. In the past, the district has only treated us fairly when we have organized and shown that we will fight for what is right. We need to fill the Board Meeting to capacity, and we need to be confident that we deserve a fair deal. We look forward to seeing you all at Peninsula and at District Offices.
